General Information

Short summary

The company from Lithuania specialises in diamond jewellery production, and diamonds, diamond jewellery and gold jewellery sales. It is seeking partners - quality gold chains, bracelets, suppliers or producers to work under a commercial agreement or a supply agreement.

Full description

The company from Lithuania specialises in diamond and gold jewellery production and sales since 2014. The SME specialises in jewellery with diamond creation and also sells diamonds. Red, yellow and white gold jewellery is produced. The company has two physical stores, online sales, wholesale, and manufactures products for other stores. The company seeks to expand its assortment, therefore is seeking partners - quality gold chains, bracelets, suppliers or producers. Cooperation under a commercial agreement or a supply agreement is offered to them.

Advantages and innovations

- Strong knowledge of the sector.
- Well-known brand in Lithuania.
- The company is committed to quality and aims to maintain competitive prices.
- Employees with up to 30 years of experience.
- Usage of the latest technologies.
- Wide sales channels: two physical stores, online sales, and wholesale partners.

Technical specification or expertise sought

The Lithuanian company is looking for:

- Reliable partners (manufacturers or wholesalers) to supply the company with quality gold chains, bracelets (mainly red gold, 585) of various designs, lengths and weights;
- Partners (wholesalers, retailers, manufacturers, jewellery chops/nets, etc.) to offer its products: diamond jewellery (rings, earrings, pendants, bracelets, chains) and diamonds themselves. Exchange of products is desirable.
