## General Information

### Short summary

A Slovenian manufacturer of fencing systems, fencing elements, single gates, double gates, sliding gates, self-supporting gates, is looking for a distributors, fence systems installers

### Full description

The company is the biggest producer and supplier of fencing systems in Slovenia. Their solutions combine security with aesthetic completeness, they may function as visual and noise barriers for residential and commercial premises. They provide the complete turnkey solutions, from planning, manufacturing and installation in the range of 200 km. Annually they produce over 5.000 complete fencing systems and install over 150 km of fencing. Everything, including manufacturing, is done in-house and is the result of companies own R&D, know-how and expertise.

The company, which currently exports abroad, is looking for a commercial agency or distributor agreement to expand their range of foreign trade and gain strength in the market. The company especially wants to export to European countries.

### Advantages and innovations

They have been manufacturing top quality fences and fencing doors, with outstanding design for over 15 years, all of which are entirely the result of their own expertise and development. They provide a comprehensive service, from planning to execution and assembly. Installation is carried out within a radius of 200 km from the company's headquarters in Prebold / Slovenia. The radius of installation services depends on the scope and value of the project. 5000 of satisfied customers place their trust in their products every year.
