Full description

The Ukrainian manufacturer of gift products made of wood, leather and metal is looking for partners to conclude a distribution agreement.

The company was founded in 2023. And in this rather short time, it has achieved significant success. This applies to both the expansion of production and assortment and the development of the partner network.

The production facility is located in central Ukraine, which makes it possible to obtain the necessary raw materials for production more quickly. The geographical location also has a significant impact on stable production and the

availability of highly qualified specialists in their field.

The range includes:

- BBQ sets in wooden cases;
- BBQ sets in leather quivers;
- Kitchen utensils made of wood and epoxy resin;
- Game sets (poker, chess, backgammon, checkers);
- Wall clocks made of epoxy resin;
- Genuine leather goods.

The company is looking for business partners abroad who have experience in trading with gift items and BBQ products. It seeks to find reliable relationships with network, wholesale and retail partners who are able to provide quality distribution and a new market.

Advantages and innovations

The company has its own carpentry shop, which ensures a stable and uninterrupted production process. The production masters have many years of experience. All raw materials are of high quality and carefully selected. Modern equipment allows us to produce parts with maximum accuracy and the possibility of individual orders. All processes are streamlined and systematized.
