General Information

Short summary

A Turkish company established in 1997 and active in the retail sale of polyethylene films, disposable paper products (toilet paper, tissues, paper towels, napkins, paper tableware), plastic household items, garden equipment, and textile packaging sacks is looking for reliable manufacturers or wholesalers in the EU. The company aims to expand its product range and establish long-term supply agreements.

Full description

The company is located in Gönen (Türkiye) and has been operating in the retail sector for more than 25 years. Its main product portfolio includes polyethylene films, disposable paper/cardboard tableware, toilet paper and tissues, plastic kitchen and household items, garden tools, and textile sacks for packaging purposes. With its established distribution network and stable customer base, the company seeks to strengthen its supply chain with high-quality EU products.

Advantages and innovations
